AHNA HAMPTON

We take great pride in our scholarship recipients who have been awarded \$1,000.00 each through a non-renewable scholarship program. These students were chosen based on their outstanding academic and community involvement, the thoroughness of their applications, their grade point averages, and the quality of their essays.

Our outreach attracted graduating students from a selection of schools within Richmond City, as well as Chesterfield, Hanover, and Henrico Counties. We recognize that these students are the future leaders of our community, and we have faith that those we have selected, as well as those we have considered, have promising prospects ahead.

We are confident that our investment in these students will yield significant returns, motivating us to continue expanding our resources. The funding for our scholarship program is sourced from the proceeds of our prestigious **“Art in the Atrium” 12th Biennial Auction** to take place on Saturday, March 29, 2025, at the Virginia Museum of Fine Arts (VMFA).
